HUNT YACHTS

OBSSESSED WITH PERFORMANCE

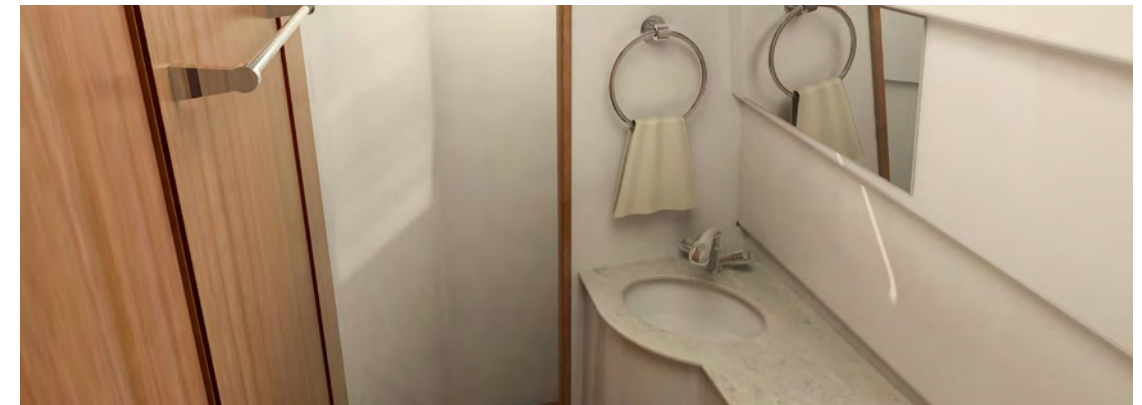

HUNT 40cc

Obsessed with performance, Hunt brings a legendary focus on designing the best ride for the toughest conditions. Performance at sea is paramount. Thoughtful design and an obsession with the tiniest details come naturally. Fishing options include livewells, floor fishboxes, integrated rodholders and carbon outriggers for true fishability. Among the fastest Super Consoles in the world. Engine options include the unmatched horsepower of three 627hp from Seven Marine providing a top speed of 65 mph.

RUGGED AND SEAWORTHY

The all-new Hunt 40 cc takes the iconic Deep V hull form into a new era of performance and detail. Utilizing infused epoxy for a lighter, stiffer, stronger and more durable hull. Trusted by Pilot captains braving the toughest conditions.

With a queen size berth and the best cabin in the Super Console category, the Hunt 40cc sports a fully integrated sun guard, family-ready galley, social seating on deck and a full-sized companion-way. The hull-side door makes boarding easy and the integrated swim platform is perfect for family fun.

The new Hunt 40cc is expertly built of infused epoxy with an integrated primary bond between hull and stringers for a stiffer, stronger and more durable hull. Trusted by Pilot captains braving the toughest conditions, the legendary Hunt Deep V ride provides fast and safe performance in a seaway.
